17-Mile Drive

Following the incised granite coastline from Pacific Grove to Carmel, the 17 Mile Drive through the private enclave of Pebble Beach is famous enough that the town can charge a \$7.00 fee just to drive it. The drive alternates between litoral golf courses, cliff-bound Monterey Cypress woods, and the gated streets of Pebble Beach. The view of the waves crashing against the rocks is unbeatable. There are places to picnic on white beaches at Spanish Bay and lots of sea lions and harbor seals at Bird Rock and Seal Rock. There are abundant otters playing in the kelp. The trees at Cypress Point have been twisted by the wind and are picturesque. Discover nature's treasures as you twist and turn your way deep into the majesty of the 5,000-acre Del Monte Forest, you will quickly feel the magic of this legendary scenic tour. Home to the Lone Cypress, Seal and Bird Rocks, Fanshell Beach, Point Joe, and the colliding currents of The Restless Sea, you'll travel this showcase with a sense of awe for what nature has created.
