PEBBLE BEACH GOLF LINKS
MONTEREY, CA
JUNE 14 – 20, 2010**

The U.S. Open Championship has been played at Pebble Beach four times, most recently in the year 2000 for its 100th tournament. "The U.S. Open at Pebble Beach is always memorable," says the United States Golf Association's Craig Smith (the USGA oversees the U.S. Open Championship). "There are always tremendous finishing holes that add incredible drama. There's just a sense that you're seeing something great."

Each of the Pebble Beach Opens was won by one of the game's great players – Jack Nicklaus in 1972, Tom Watson in 1982, Tom Kite in 1992 and Tiger Woods in 2000.

The Open, which was first conducted in 1895, is one of 13 national championships conducted annually by the USGA.

2010 may sound like a long way off, but mark your calendar now for this exclusive event. Don't miss a chance to see history in the making!
