

## U.S. Open Golf Vacations!

---

### U.S. Open Golf Vacation Packages!

The 2002 US Open Golf Championship will take place on Long Island at Bethpage State Park Black Course in Farmingdale, New York, June 14-17. The Open is meant to be different, and it certainly is. Which is why it means so much for players to win. Par is a good score in the U.S. Open, where the rough is so severe the demand is on accuracy versus length. The USGA hosts our National Tournament, and at last count, tour players wanted to win this tournament over any other. So pack your bags, invite your best clients, or your Saturday foursome and join us for a week you will long remember.

The 102nd US Open is the ultimate destination for your next incentive trip, meeting, or customer appreciation trip.

## U.S. Open Hotels...

### Hilton Huntington Hotel

Located in Melville in the heart of Long Island, just a short distance from New York's 3 metropolitan airports, the Hilton is easily accessible from all of Long Island's major highways, and is an easy drive to Bethpage State Park in Farmingdale, whose Black Course is the host for this year's Open.)

### Sheraton LaGuardia East Hotel

The Sheraton LaGuardia East Hotel is located in the middle of a growing commercial area, surrounded by many ethnic restaurants and shops, close to public transportation to New York City and is three miles from LaGuardia Airport.

### Sheraton Long Island Hotel

Located approximately 20 minutes from Bethpage State Park, site of the 102nd U.S. Open Golf Tournament. The Sheraton Long Island Hotel is centrally located on North Shore Gold Coast of Long Island, convenient to Hauppauge Industrial Park, Islip Airport, ocean and sound beaches. Just 45 minutes from Manhattan.

## **U.S. Open Golf Courses...**

### **Bethpage Black Course**

The Black Course is a difficult and challenging course that should be played only by low-handicap golfers. The course is for walkers only and its slope rating is one of the highest in the northeast. This was one of the last courses designed by master golf course architect A.W. Tillinghast, and is said by many to be his finest work. The United States Golf Association has selected the Black Course as the site of its U.S. Open Championship in 2002. The narrow fairways, high roughs, well placed bunkers and small greens help to make this an extremely difficult course.
